MODERN ELECTRIC WATER CO. SERVICE APPLICATION

Service Set-up Construction

Service Set-up – Please complete the **Customer Information Section** and sign in the **Affirmation Section**. A \$10 Set up Charge will be billed to your account.

Construction – Please complete **all sections** of this application to ensure that your project is accurately designed, your fees are established properly and there are no schedule delays. A non-refundable \$150 Design Fee will be collected at time of Application. Design changes and re-estimates will be charged an additional Design Fee. All job estimate fees must be paid prior to service connection.

Construction Applications and Design Fees can be mailed to Modern Electric Water Company P.O. Box 14008, Spokane Valley, Washington, 99214-0008, or submitted in person at MEWCo's main office: 904 N Pines Rd, Spokane Valley, Washington. For questions regarding this application, please contact us at (509) 928-4540. Upon receipt of a completed application, associated plans and the Design Fee, MEWCo will process your application and respond with an estimate of charges or further inquiries within 3-5 business days.
