

# Modern Electric Water Company

## Residential Prime Window Replacement *Rebate* Form

Modern Electric Water Company partnering with Bonneville Power Administration (BPA) are offering a \$3 per square foot incentive for prime window replacements in existing single family and manufactured homes which are **electrically heated**. **Windows must be pre and post inspected!**

Name: \_\_\_\_\_ Account Number: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Home Phone: \_\_\_\_\_ Work Phone: \_\_\_\_\_ Email: \_\_\_\_\_

Installation address (if different from the above address):  
\_\_\_\_\_

Type of Home: Single Family Site Built Home or Manufactured Home (Sorry, No Duplexes or Multi-Family Complexes)

Type of Electric Heating: \_\_\_\_\_ Yr. Home was Built: \_\_\_\_\_

Pre-existing windows (Please choose glass type and frame type):

\_\_\_\_\_ Single Pane \_\_\_\_\_ Double Pane \_\_\_\_\_ Metal Frame \_\_\_\_\_ Wood Frame

Number of windows replaced: \_\_\_\_\_ Total sq. ft. of glass replaced: \_\_\_\_\_

Installed by: \_\_\_\_\_ Installation Date: \_\_\_\_\_

*Please fill out this form in its entirety and include a copy of your invoice, and documentation indicating U-factor rating for each window installed. Please leave window stickers on for post inspection. Rebate will not exceed 100% of the installed job cost. All requests for rebate funds must be pre-approved.*

- Existing windows must be either **single pane wood or metal frame**, (with or without storms), or **double pane windows with metal frames**. Existing vinyl and double pane wood frame windows do not qualify for rebates.
- Replacement windows must have a **National Fenestration Rating Council (NFRC) rated u-value of .30 or less**. Patio doors must have a u-value of .35 or less.
- Replacement installation that results in increased window area is not allowed under this program.
- Window Replacement Rebate Program **requires a pre and post-inspection** by a Modern representative and a signed contract between Modern and the property owner.
- Contractor installed windows must have a pre-existing window condition and U-factor of newly installed windows clearly stated on their invoice.

I certify that these windows were purchased and installed at the above address. I will allow a representative of Modern Electric Water Company to verify installation of the windows. I understand that it is my responsibility to ensure the windows have been installed in compliance with applicable codes. Modern and BPA are free from all liability arising from the installation of the windows. Rebate offers may be changed or discontinued at any time by Modern and BPA.
