Mailing Address (if different)		Contact Email		
City		State	Zip	
Estimated Rebate Amount – Please see completed Modern Electric Water Company's (MEWCO) Non-Residential Lighting Calculator. Call 888-883-9879 to request (note rebate amount is subject to change based on adjustments from final inspection).			\$ _____	

Rebate(s) will not exceed 70% of total installed cost.
To ensure availability of funds, project must be pre-approved.

Before Installation: Audit and prior approval are required. Call 888-883-9879 to schedule.
After Installation: Final inspection is required. Call 888-883-9879 to schedule.

Upon signing this agreement, customer acknowledges the following:

Rebate offer(s) may be changed or discontinued at any time by MEWCO. MEWCO disclaims any warranty, whether expressed or implied, regarding the energy efficient upgrade(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the energy efficient upgrade(s) must be installed to MEWCO specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the property owner's responsibility to request proof of insurance and licensing that meets the statutes and rules of the Washington Bureau of Labor & Industries. MEWCO strongly recommends validating qualifications before work begins. I understand the above and certify that I am a customer of MEWCO, that the energy efficient upgrade(s) are installed at the address indicated and that this address is within MEWCO service territory.

CUSTOMER SIGNATURE _____ **DATE** _____

Mail original completed rebate application and copy of the Non-Residential Lighting Calculator for project to:

**Modern Electric Water Company
Attn: Energy Efficiency Rebates
5605 NE Elam Young Parkway
Hillsboro, OR 97124
FAX: 1-503-344-6942
rebates@esgroupllc.com**

**Rebate Applications are due within three months of purchase to qualify.
Allow 8-10 weeks for rebate processing after the receipt of all final paperwork.
Call 888-883-9879 to learn about additional energy efficiency programs.**

Participation in this energy efficiency program allows MEWCO to use your electrical energy consumption history for energy savings research. Your consumption history may be shared anonymously with Bonneville Power Administration for energy savings verification and research.

NON-RESIDENTIAL LIGHTING REBATE PROGRAM

Steps to Participation

1. GETTING STARTED

- Contact Modern Electric Water Company (MEWCO) (rebates@esgroupllc.com) regarding a potential non-residential (agriculture, commercial or industrial building) lighting upgrade project.
- MEWCO provides the current BPA Lighting Calculator & non-residential rebate application to the contractor. The calculator will determine the estimated incentive for the project based on kilowatt savings and total project costs. The non-residential rebate application must be submitted to rebates@esgroupllc.com prior to the site audit. The non-residential rebate application verifies the contact information, site location & customer account number.
- Forward the completed BPA Lighting Calculator to rebates@esgroupllc.com. The calculator must include hours of operation, heating and cooling source, existing fixture location, lighting equipment type, wattage, and number of fixtures. Include the make and model numbers for the proposed equipment in the measure notes section.

2. PRE-INSTALLATION AUDIT

- Request an audit at rebates@esgroupllc.com or call 888-883-9879. Forward the non-residential rebate application to rebates@esgroupllc.com prior to the audit. You will be contacted two to three days prior to the audit with your scheduled date and time. Auditor will need access to all areas that will be included in the project.
- Auditor visits the site to verify information from the Lighting Calculator.

3. PROJECT PRE-APPROVAL

- MEWCO sends a Notice to Proceed stating estimated rebate funds.
- Upon receipt of notice, project may begin and must be completed in three months.

4. POST-INSTALLATION INSPECTION

- Request an inspection at rebates@esgroupllc.com or call 888-883-9879. You will be contacted two to three days prior to the inspection with your scheduled date and time. Inspector will need access to all areas that will be included in the project.
- Based on equipment identified during the inspection, rebates will be adjusted and finalized.

5. DOCUMENTS REQUIRED TO PROCESS YOUR REBATE(S)!

- Contractor final invoice(s) or your receipt(s) if self-installed, with the following information:
 - Project site address and customer mailing address
 - Quantity of each fixture
 - Price of each fixture
 - Description of each fixture, including part/model numbers – these should match numbers on cut sheets
 - Equipment purchase orders/invoices
 - Other related project costs (e.g. disposal, etc.)
 - Total project costs
- Completed Non-Residential Lighting Rebate Application.
- Manufacturer cut sheets for installed equipment.

Documents can also be mailed to the address on the rebate application, faxed to 503-344-6942, or emailed to rebates@esgroupllc.com.

6. RECEIVE YOUR REBATE

You can expect to receive your rebate 8 to 10 weeks after the final inspection and receipt of all required documentation.

**All work must be done according to Bonneville Power Administration (BPA) and
Modern Electric Water Company program installation requirements.
For additional questions, call 888-883-9879.**
