Upon signing this agreement, customer acknowledges the following:

Rebate offer(s) may be changed or discontinued at any time by Modern Electric Water Company (MEWCO). MEWCO disclaims any warranty, whether expressed or implied, regarding the energy efficient upgrade(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the energy efficient upgrade(s) must be installed to MEWCO specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing that meets the statutes and rules of the Washington State Department of Labor & Industries. MEWCO strongly recommends validating qualifications before work begins.

I understand the above and certify that I am a customer of MEWCO, that the energy efficient upgrade(s) are installed at the address indicated and that this address is within MEWCO service territory.

REBATE APPLICATION DOCUMENTS

Rebate(s) will be paid when MEWCO has received the following required documents:

- Contractor installed: copies of **contractor final invoice(s)** showing R-value of existing insulation, R-value of final insulation and square footage of added insulation
- Self-installed: copies of **purchase receipt(s)**
- Completed **Residential Manufactured Home Insulation Rebate Application** form

A MEWCO energy efficiency representative will collect required documents at the time of final inspection or you may submit them to:

**Modern Electric Water Company
Attn: Energy Efficiency Rebates
5605 NE Elam Young Parkway
Hillsboro, OR 97124
FAX: 1-503-344-6942
rebates@esgroupllc.com**

Allow 8 to 10 weeks for rebate processing after the receipt of all the final paperwork.

Call 1-888-883-9879 to learn about additional energy efficiency programs.

Participation in this energy efficiency program allows Modern Electric Water Company to use your electrical energy consumption history for energy savings research. Your consumption history may be shared anonymously with Bonneville Power Administration for energy savings verification and research.

RESIDENTIAL INSULATION REBATE PROGRAM

Steps to Participation

1. PRE-INSTALLATION AUDIT

A utility representative will perform a *one-time* audit to determine the existing condition of your home before your insulation is upgraded. Audit results are kept on file for future reference.

- Call 888-883-9879 to request a no-cost audit. Audits are scheduled once a month. You will be contacted 2 to 3 days prior to the audit with your scheduled date and time. You do not need to be home during the audit provided there is outside access to all insulation upgrade areas, including crawl space(s) and attic. Please unlock gates and restrain pets before your scheduled audit.

Manufactured Home Audits May Include: Attic Floor / Ducts

- Two to three weeks after the audit, you will receive a follow-up letter to confirm that rebate funds have been reserved for your project for three months. Projects not completed within the three-month time period must reapply for rebate funds.

2. INSULATION UPGRADE

- After the audit, you can begin to upgrade the insulation in your home or hire a contractor to do the work.

3. POST-INSTALLATION INSPECTION

- Call 888-883-9879 to request a no-cost final inspection of your newly upgraded insulation. Inspections are scheduled once a month. You will be contacted 2 to 3 days prior to the inspection with your scheduled date and time. You do not need to be home during the inspection provided there is outside access to all insulation upgrade areas, including crawl space(s) and attic. Please unlock gates and restrain pets before your scheduled inspection.

4. REQUEST YOUR REBATE

At the time of the final inspection, the utility representative will collect the following required rebate documents:

- Contractor final invoice(s), or your receipt(s) if self-installed, showing existing R-value, final R-value and total square footage of upgraded insulation.
- Completed Residential Manufactured Home Insulation Rebate Application.

Documents can also be mailed to the address on the rebate application, faxed to 503-344-6942, or emailed to rebates@esgroupplc.com.

5. RECEIVE YOUR REBATE

You can expect to receive your rebate 8 to 10 weeks after the final inspection and receipt of all required documentation.

All work must meet Bonneville Power Administration (BPA) and Modern Electric Water Company program and installation requirements.

For additional questions, call 1-888-883-9879.
