Rebate offer(s) may be changed or discontinued at any time by Modern Electric Water Company (MEWCO). MEWCO disclaims any warranty, whether expressed or implied, regarding the energy efficient upgrade(s) listed on this application for any materials or labor associated with installation, maintenance, repair, or any energy savings associated with use.

I understand that the energy efficient upgrade(s) must be installed to MEWCO specifications, and certify that I, or my contractor, have reviewed the specifications prior to beginning work. When selecting a contractor, I understand that it is the homeowner's responsibility to request proof of insurance and licensing that meets the statutes and rules of Washington State Department of Labor & Industries. MEWCO strongly recommends validating qualifications before work begins.

I understand the above and certify that I am a customer of MEWCO, that the energy efficient upgrade(s) are installed at the address indicated and that this address is within MEWCO service territory.

Allow 8 to 10 weeks for rebate processing after final inspection and the receipt of all the final documentation.

Call 888-883-9879 to learn about additional energy efficiency programs.

Participation in this energy efficiency program allows Modern Electric Water Company to use your electrical energy consumption history for energy savings research. Your consumption history may be shared anonymously with Bonneville Power Administration for energy savings verification and research.

RESIDENTIAL WINDOW REBATE PROGRAM

Steps to Participation

1. PRE-APPROVAL

- If this work is to be completed by a contractor, check this box. The contractor must submit an estimate of the work to be completed at the site including frame type (metal, wood or vinyl), single or double pane glass and the size of each window along with the MEWCO customer rebate application.
- If this work is a self-install project, check this box. The homeowner must keep the old windows that are replaced on site until after the final inspection of the window project. The homeowner must submit an estimate of the project along with the MEWCO window rebate application.
- After you submit the pre-approval information, you will receive a follow-up letter to confirm that rebate funds have been reserved for three months. If your project is not complete within the three month timeframe, then you must reapply for rebate funds.

2. WINDOW UPGRADE

- After the you receive the follow-up letter, you can upgrade the windows in your home or hire a contractor to do the work.
- New replacement windows must have a U-Factor of 0.30 or less to qualify for a rebate!***
- Windows can be replaced all at once, individually, or a few at a time.
- Each new window will have an NFRC sticker attached to the glass. Carefully remove all stickers and make a copy of each one to be submitted with the final paperwork. Retain originals for your records.

3. POST-INSTALLATION INSPECTION

- Call 1-888-883-9879 to request a no-cost final inspection of your newly upgraded windows. Inspections are scheduled for the beginning and the middle of each month. You will be contacted 2–3 days prior to the inspection with your scheduled date and time. You do not need to be home during the inspection provided there is outside access to all windows. Please unlock gates and restrain your pets before your scheduled inspection. You are required to have a post-installation inspection each time you upgrade windows in your home.

4. REQUEST YOUR REBATE

At the time of the final inspection, the utility representative will collect the following required rebate documents or the documents can be mailed to the address on the rebate application, emailed to rebates@esgroupllc.com or faxed to 503-344-6942.

- Contractor final invoice(s), or receipt(s) if self-installed, including window measurements.
- Completed Residential Window and Insulated Door Rebate Application.
- Copy of one NFRC sticker for each window replaced or manufacturer window order confirmation with U-factor.

5. RECEIVE YOUR REBATE

You can expect to receive your rebate 8–10 weeks after the final inspection and receipt of all required documentation.

All work must meet Bonneville Power Administration (BPA) and Modern Electric Water Company program installation requirements.

For additional questions, call 1-888-883-9879.
