

MODERN ELECTRIC WATER COMPANY
reliably serving the Spokane Valley since 1905
MEWCO.COM

*Sometimes we could use a little help,
or sometimes we can give a little help.*

Do you need payment assistance?

Please call Modern Electric Water Company's Customer Service Center at **509 928-4540, Ext 1**, Monday through Friday, 7:30 am to 4:30 pm (closed holidays) if you are having difficulty making your monthly payment.

The following agencies may be able to offer additional support:

Spokane Neighborhood Action Program (SNAP), 509 456-7110, distributes assistance funds during the heating season. Grants are based on income and family size. Contact SNAP for more information at www.snapwa.org

Modern Help or Modern Senior Help, 509 456-7110, funding is available for qualified Modern Electric Water Company customers. This funding is managed by SNAP.

Project Share, 509 456-7110, assists with funds based upon income and family size. Project Share was established to provide emergency energy assistance to those not eligible for heating assistance or who have exhausted all other available energy assistance sources. Funding comes from contributions made by utility customers. Assistance is provided once only every other heating season when funding is available.

Washington Information Network 211, call 211 for health and human service information. More information is available at win211.org

Want to Help?

Project Share Donations, if you can financially help please donate to stabilize households-in-crisis. Every dollar helps. Donate online at givetoprojectshare.org Donations may also be included with your monthly payment made payable to MEWCO.
