

# Application for Area Lighting Service

Date of Application: \_\_\_\_\_

Name of Applicant: \_\_\_\_\_

Service Location: \_\_\_\_\_

Lamp size:      100 watts                          200 watts      
(see Electric Rate Schedule for current monthly charges)

1. Service under this schedule is subject to the General Rules & Regulations of the Company.
2. This form applies where lights can be installed on existing MEWCo facilities. If the installation requires the setting of new poles or transformers, the applicant is responsible for all such costs.
3. Property owner with underground service must supply the ditch, conduits and wire from the light pole to the power source. (Contact MEWCo for availability)
4. Area lighting will not be installed for a tenant without the written permission of the property owner or his/her agent on this application.
5. To recuperate MEWCo's cost of installation, the lighting contract is for a minimum of 5 years. If a customer moves or discontinues the contract before the 5 year period, he/she is still responsible for the balance owed.
6. For shared lighting: if one property owner wishes to discontinue lighting service, all future charges will be divided equally among the remaining property owners on the original application, and must be so acknowledged on a new application.
7. Area lighting is billed monthly. Please see our fee schedule for the current costs.
8. After installation of the lighting service, MEWCO will replace any burnt bulbs. However, it is the property owner's responsibility to notify us of the same.
